About Acc2Go

Access2Go, Inc. was formed by individuals with extensive industry experience to help customers determine which Carrier Networks provide the most cost effective and reliable solutions in every situation. Access2Go, Inc. has relationships with Long Distance Companies (IXCs), Local Exchange Companies (LECs), Competitive Local Exchange Companies (CLECs) and Competitive Access Providers (CAPs), and has developed a comprehensive database of US fiber routes and on-network (LIT) buildings that allows us to map out the paths that are best for a given situation whether they be on one carrier or across networks.

The quote information shown is based upon the specific location information, requirements, and terms shown below.

About the Service

Connect to the world on Access2Go's worldwide IP backbone. Do your business needs include T1, DS3, OCN, or Ethernet Services? We can provide services anywhere you need it. Access2Go offers a single bill for all services and 7/24 customer service on all products.

Access2Go Service Level Agreements guarantee performance and reliability.

FAQs

Question: How can I get more information about one of the quotes?

Answer: Please feel free to contact me with any questions you may have. I will answer your questions directly or work with the providers to answer any questions to your satisfaction.

Question: How much time do I have to make a decision based upon the pricing provided?

Answer: Quotes are typically valid for 30 days but promotions can have different expirations. I will confirm all pricing prior to placing the order for you.

Question: I know there is a lot of paperwork required when placing telecom orders, who will fill out all of the forms when I order?

Answer: One of the benefits of working with me is that I will work with you to complete all the necessary order documents at no charge.
